Dear Parent/Carer

I would like to invite your child to participate in our Erasmus+ Project "Gamification of the classroom". This is a cross-curricular project between Languages, IT and English. This scholarship has been awarded by the European Union to around a 1000 schools in England from 1600 applications. We have been given 25 places on the project and this is a fantastic opportunity for our students to take part.

During the two year project your child will be linked to students from our partner schools IES Sierra de Gádor (Berja, Almería, Gesamtschule (Battemberg, Germany) and IC Vitaliano (Brancali, Italy). They will participate in the creation of a tourist website to promote rural tourism in our countries.

The project will require hosting a child from one of our partner schools for a week. Your child may be chosen to travel to either Spain or Germany and stay with a host family for the same amount of time. The cost of the trip and the activities linked to the project is partially funded by the Erasmus+ grant. We require a non-refundable deposit of £30 which will go toward the activities. . If your child does not wish to go to Spain or Germany they will still participate in the trips organised in this country

If you and your child are interested in taking part in this unique opportunity, please complete the slip and return it to the MFL department by the 10 October. We expect to get more interest than places available there will be a selection process in terms of merit and the willingness to learn foreign languages. We will have some basic German training.

The selected candidates will be notified by the 15 October with further information.

Yours faithfully

Miss A Brigido
MFL teacher
