Dear Parent or Carer,

At this point with the GCSE exams beginning it is important that we maintain our support and encouragement for all Y11 students. We remain very pleased with the level of commitment from the students and the progress they are making towards their GCSEs. Thank you also for your ongoing support at this critical time.

During the exam period, as you already know, lessons will continue to run as normal; these lessons will focus on exam technique and preparation. Students should use these lessons to ensure they feel confident in every aspect of their exams. It is crucial that they ensure they are clear on every aspect of the exams they will be taking. Once exams are completed, the subject lessons will become supervised study time when students can revise for remaining exams. There will also be bespoke revision sessions for most subjects just before the exam (timetable attached). All students will be expected to attend these sessions.

Please remember that morning exams begin at 9.10. Students should arrive at school as usual and attend registration before their exams. Afternoon exams will begin at 1.10 with students having an early lunch at 12.30pm. If there is any reason why a student cannot attend an exam it is **essential** that you contact us **immediately** to let us know. In the event of illness which prevents a student attending an exam, the student should be taken to the doctors and a medical note requested explaining the situation. If this note is submitted to us we can apply for special consideration. Without this the missed exam will not be graded.

The physics exams on Friday 15 June will be the final exam for most students. After that exam they will not need to be in school unless they have a revision session or another exam. To mark the end of their time in Y11 we will be having a leavers assembly and celebration on Monday 18 June. This will take place from 11.30 – 1.00pm and will be an opportunity for students to celebrate their time at school. Lunch will be provided and students who have ordered leavers' hoodies will be able to collect them.

Thursday 28 June is of course the prom which will be another chance to celebrate the end of the exams and their time at Graham School. The prom is always a lovely evening and we are very much looking forward to spending time with the students and seeing all the students in their prom outfits.

Wishing you and all students the very best for the exam period and please do not hesitate to contact us if you have any queries at all.

Yours sincerely,

Yours faithfully

Emma Robins
Deputy Headteacher
