Dear Parent or Carer

As we approach the end of the GCSE exams we would like to thank you once again for your continued support. We have been very pleased with the attitude and conduct of students throughout the exams. They have been a credit to you, the school and themselves!

From Monday 11 June we have decided that Y11 students will have the option of leaving school after exams, in order to study at home. All revision lessons will continue to run in school and we strongly advise that students should participate in these valuable sessions. Students will also be able to continue to attend all lessons as normal, to receive support for remaining exams and to revise in school with the support of a teacher. It is very important, for health and safety reasons, that students sign in at the Attendance Office whenever they arrive in school and sign out again when they leave. If you would like your child to have permission to study at home, please give them a written note to hand in to the Attendance Office the first time they sign out.

There will be a leavers assembly on Monday 18 June for all students. This will begin at 11.30am when students should go to the hall. Following the assembly there will be lunch and the opportunity for students to say their goodbyes and sign shirts before leaving. Students should attend in school uniform and will leave after their lunch at 1.00pm. The final celebration will be the prom on Thursday 28 June which I know the students are already very excited about! Any remaining payments should be sent in to the school office as soon as possible.

GCSE exam results will be available on Thursday 23 August. They can be collected by students from the school hall from 10.00am onwards. If anyone else is collecting results on behalf of a student, they must have a written and signed note from the student giving permission. We will also be sending a copy of results to each student in the post. Thank you, once again, for your support during this exam period and please do not hesitate to contact us if you have any questions or queries.

Yours faithfully
