Dear Parent/Carer

Why University? An information Evening for Years 9, 10 and 11.

On **Tuesday, 8 November 2016**, Graham School will be hosting a University information event in the small and main hall at Upper School. The event **starts at 6:30 pm and will finish at approximately 8:30 pm**. This event aims to provide more information on why students should consider university, to dispel any myths concerning funding and to help students/parents and carers increase their awareness of the options available at university. The programme for the evening will consist of:

- **A presentation on why students should consider university.**
- **A presentation on funding and that this should not be a barrier to attend university.**
- **A presentation on student life**
- **Time to discuss the opportunities at University with graduate ambassadors and exhibitors from a range of universities.**

This event is to be delivered in partnership with the University of Hull, York St John University and the University of York who will all be involved in the presentations. They will also be providing an exhibit stand alongside the University of St Andrews, University of Liverpool, University of Lincoln and the University of Northumbria.

The number of people we can accommodate on the evening is restricted. I would, therefore, advise that you book your places early to avoid disappointment. Please can you complete the reply slip below highlighting how many places you require for the evening and return this to the main office at Upper School by **Monday, 31 October**.

If you have any queries please feel free to contact me at school or via email. I will be happy to answer any questions and/or discuss queries you may have prior to the event.

Yours faithfully

Mr C Dawson
