01 November 2016

Dear Parent/Carer,

As part of their GCSE Geography course, all Year 11 students must complete a piece of controlled coursework on coasts, which is worth 25% of their final mark. Below is a list of deadlines for the different sections of the coursework and it is imperative that your child meets these.

- Introduction and Data collection: **4th November 2016**
- Data presentation: **18th November 2016**
- Analysis: **9th December 2016**
- Conclusion and evaluation: **16th December 2016**

To ensure that your child's coursework is completed and submitted by the deadline, we are running after school catch-up sessions every Wednesday, Thursday and Friday from 3.10 pm until 4.10 pm. If they are unable to come, they must inform their class teacher so alternative arrangements can be made.

Thank you for your support and if you wish to discuss this matter further, please contact me at school.

Yours faithfully

Miss N Henderson (Director of Humanities)
