7 March 2017

Dear Parent/Carer

Your son/daughter will have informed you of changes to their timetable which allows all students to receive additional lessons and support in maths through the re-allocation of core PE time. Whilst I fully acknowledge the importance of Physical Education in the lives of young people, I also want to make sure we give our students every chance to secure the best possible outcomes for themselves in their upcoming GCSE's.

Some parents and students have asked if the time can be shared between Maths and English and possibly some other subjects. Please be reassured this is the plan, however it was important to get this change off the ground with maths first.

Providing our students with the very best opportunities to enable and support them to reach their fullest potential is at the heart of all the decisions made and therefore please accept my apologies for not communicating this decision to you sooner.

I will endeavour to establish the extra support for English and in other subjects as soon as it is possible.

Yours faithfully

Kerry Millar
Deputy Headteacher
